# To Student

## Mandarin Chinese

- Big difference from European language
- Pronunciation /tone is very important.

eg. ma

Method: practice

- Good news:  
no irregular verb and form change

# INTRODUCTION

- Characters are more than letters.  
They are beautiful and interesting.  
They come from pictures.
- Target for characters  
type, recognize, guess

# INTRODUCTION

It is cool that you are learning the oldest language in the world which has 5000 years history.

哥真的好寂寞!
